

Vision Board Premium Bonus Product

***“Audio scripts to record
with your Vision Board”***

“Empower your Visualization with your personal voice recording”

As part of your Vision Board Premium software, you are able to add a personal voice recording to your Vision Board. This can be a very powerful way to reinforce the fact that your Vision Board is attracting your goals and dreams into your life. Adding audio will also draw your attention to your Vision Board and goals even if you are not in viewing distance of your computer.

We have created a number of standard visualization scripts that you can use straight away for your Vision Board. You can also use these texts as a basis for creating your own unique scripts. We have left sufficient space in between the lines for you to make any adjustments you like. Just print it out, and make it your own.

What ever option you choose make sure the script really inspires and empowers you. When you record, speak it clearly and with conviction and excitement so that it reflects your enthusiasm for manifesting your amazing goals.

The example scripts are as follows:

- Script with a general focus
- Script with a focus on Health
- Script with a focus on Abundance
- Script with a focus on Holiday
- Script with a focus on Business
- Script with an “I deserve it” focus
- Script with an “I can do it” focus

General script

“I am very excited to now take some time to focus on the amazing goals and dreams I have for my life. I deserve to attract the achievement of these goals and dreams. I feel positive and elated anticipating my ideal life which I am visualizing right in front of me. I am so excited to see the results of my goals and dreams visualized on my screen and I am now allowing the wondrous feeling of having already achieved them in my life. I see myself in the possession of these things right now. Wow, it feels amazing! I feel grateful and happy knowing that I have attracted them into my experience. The Universe is now being set in action to create whatever I desire, and is orchestrating the ideal people and circumstances to enter my world and is inspiring me to perfect action as my dreams unfold. I am in deep appreciation for the way in which the things I desire are manifesting in my life. By focusing on my amazing dreams right now I have set in motion the process of attracting them into my reality. It feels fantastic to see and feel my amazing future here now, knowing that my vision has been attracted into my life right now! Thank you, thank you, thank you”

This generic script is recorded for the General Focus example Vision Board, spoken by Eva Gregory, CPCC, master coach, speaker and author of the internationally-acclaimed book, The Feel Good Guide to Prosperity and co-author of Life Lessons For Mastering the Law of Attraction with Jack Canfield. Eva was named 2006 International Coach of the Year.

The inspiring music you hear in the background of Eva's recording, is: "Just A Heartbeat Away" by Scott Johnson, founder of Positive Music Association.

"Music to manifest your dreams" best describes Scott Johnson's inspiring "pop/rock songs for the soul."
